

# We are proposing a new development at **Blakeslee Drive**

Persimmon Homes South West is now seeking Outline Planning Permission to develop the 1.73 acres of brownfield land for up to 50 dwellings and open green space. The overall scheme will consist of 1, 2, 3 and 4 bedroom family homes including 35% affordable housing for local people.

The Site is a logical and sustainable location for residential growth and the proposal will weave green space into the built form whilst keeping existing high quality trees and new open spaces with pedestrian linkages through to the established neighbourhood and existing community facilities. Tree lined roads are a key feature of the proposal and will support the connection between the site and surrounding area.

## **Latest News:**

The Application for Outline Planning Permission is to be submitted in April 2023.

We would like to hear your views on the proposal, Use the QR code or email address below to access our site website to find out more about what we are planning.

**Have your say...**
