## From the NCA Chairman

June 2017

Dear Resident

I trust you are well and enjoying life on the ever expanding Newcourt development. Those of you who are new to the area or have not been up to speed with your local Community Association personnel, there have been a number of changes to the trustees over the recent months. John Arkell has recently stepped down from serving as NCA Chairman since 2012. I am sure you will join me in thanking him for all the effort he has put in to get things done to make a difference over the past years.

The Newcourt Community Association is an affiliation of residents who want to help in making Newcourt a great place to live. And if you live here, you qualify to be part of it!

As a charity (CIO), NCA has twelve Trustees.

NCA Trustees:

Chris Sampson *Chairman*  
 Sam Gedye *Deputy chairman*  
 John Arkell  
 Lee Bryant  
 Paul Brady  
 Joanne Brown  
 Anita Clover  
 Judy Cretney  
 Anna Evans  
 Jon-Paul Hedge  
 Cllr Rob Newby  
 Claire Pinsent

NCA Officers

Ken Cretney *Treasurer*  
 Cath Jones *Assistant treasurer*  
 Claire Pinsent *Legal secretary*  
 Kate Arkell *Minutes secretary*

Newcourt News  
 Editor Kate Arkell

We welcome some new faces to the trustees - Anna Evans, Claire Pinsent (who is also our legal secretary) and Cllr Rob Newby. I am also a new trustee, and have taken on the role of Chairman from Mr Sam Gedye who held the role temporarily and is now vice chairman; so thank you to Sam for holding order and dealing with matters.

Let me introduce myself. My name is Chris Sampson and I live in Jack Sadler Way with my wife and two children. We moved here in 2014 from Salisbury, Wiltshire and despite not knowing anyone at all in the Devon area, we were immediately struck with how welcome we were made and the friendly positive feeling in the area. Despite Newcourt growing faster than we can all imagine, the positive strong community spirit is still prevalent from all those who give up their time to it, be it helping with monthly litter picks, watering plants and flowers around the station or getting involved with groups at the community centre. These things all make our lives and living spaces better and our relationships with neighbours stronger.

There are, as there always will be, problems and issues that need collective voices to resolve them, but this is where the residents' association is there for you all and works tirelessly to achieve. There are many ways for you to get involved; so if you feel that you have time and energy, then get in touch. If you do have any negatives that need addressing, please bring these with a suggestion of how to make them into a positive so we can understand the picture fully.

I am proud to be able to offer any skills that I am perceived to possess to benefit the association and wider community and hope to meet and make many more friends through doing all this.

Chris Sampson  
 Chairman NCA

Neighbourhood Police Update

I have very much enjoyed serving as a trustee on the Newcourt Community Association over the last couple of years. Unfortunately due to commitments elsewhere on the patch and future staff cuts I stepped down at the AGM. I however will continue to be involved in supporting the NCA and policing the community in the normal way.

Early this year a number of thefts were reported from cars across Newcourt. The majority were left unlocked and thieves were able to search and take valuables with ease, often unseen. This highlights the importance of keeping vehicles secure at all times, even when on driveways.

**Please keep your cars locked and valuables out of sight and thieves will go elsewhere.**

On 25 May we conducted a traffic safety operation on Topsham Road with the Fire Service. Twenty-six vehicles were stopped, most for speeding in the 30mph zone. Drivers received a safety awareness input and one vehicle was seized for having no insurance. The highest recorded speed was 47mph.

Traffic congestion going west towards Old Rydon Lane railway bridge.

Looking towards the motorway - an idea of the scale of the proposed 250-bed, 8-storey Sandy Park Hotel. (Rugby Stadium on the left) 390 houses are planned for the brown field in the foreground as part of the Newcourt Plan.

Research for **Newcourt's timeline** is ongoing with the help of a school student, who is doing her Duke of Edinburgh Award. We have discovered some amazing old prints, maps and photos of Newcourt at the Devon Heritage Centre.

These will be used for the timeline in the Community Centre, and also form the basis for artwork by two local resident artists on Newcourt station.

**A fabric collage on the history of Newcourt** is the longer term project - when we have more interest and volunteers from Newcourt residents. We are also looking for other local artists to create art on canvas, which can be put up in the Community Centre. Street Dancing, partly sponsored by CAN on Wednesdays is very popular and continues to grow, with a waiting list for the younger group.

Please let me know if you are interested in any of the above!

## Co-cars \* Newcourt!

**The first 50 Newcourt residents to join Co-cars are being offered free membership for one year + £25 driver's credit.**

Members can hire cars by the hour, with pick up and return to specially-reserved parking bays (there is one in Beatty Avenue). Each hire costs from just £3.75 per hour or from £25 for a 24 hour period, plus 15p per mile.

Co-cars has just launched cars at Truro, Falmouth, Plymouth and Newton Abbot railway stations and members have access to those and any of the vehicles in the South West. You can make the perfect connection for your day trip or holiday. Why hire a car for your whole stay or visit when you can book one just for the time you need it?

Newcourt resident, Gareth Jenkins became a Co-cars member. He said, "It's great to have Co-cars on the doorstep, the induction was straightforward and it is easy to book a car at a really reasonable price. Our second car is going to be a Co-car!"

*Co-cars is an Exeter-based, not-for-profit social enterprise, operating a 'Pay as You Go' car club service.*

**IKEA is being built by McLaughlin & Harvey**, an Associate of Considerate Constructors. They are producing regular updates for the community. There will be an underground carpark as well as above ground parking. Further houses are planned for the remainder of the site.

A resident's task force is looking into the implications of all the subsequent traffic exiting onto the roundabout at Newcourt Way.

## Broadband in Newcourt

Some residents have access to fibre broadband with speeds up to 40mbps. But many homes are still only getting a very slow broadband. Several residents have been working together, making contact with developers, and various internet providers, to try to get better broadband for Newcourt residents. It seems there haven't been adequate plans for internet by the Developers and BT.

A resident summed up the latest information: Openreach search said they are working to provide more capacity, didn't say anything was available yet. Cabinet 2 (near Ikea site) is due 'in the autumn' - but we don't know how many homes will be covered. Gigaclear have made a start elsewhere. So it doesn't look as though we feature in their plans for this year. The extension to cabinet 1 (by Community Centre) is due to go live any day now, so ask your broadband provider for upgrade availability. No one will tell us exactly when but Openreach had previously indicated 'by June'.

If you missed the broadband article in the November 2016 Newcourt News you can find it on the home page of [www.newcourtca.org.uk](http://www.newcourtca.org.uk)

## Introducing the new school Headteacher

I am delighted to be able to introduce myself as the new Head teacher of Trinity Church of England Primary and Nursery School. Since my appointment, I have had the opportunity to speak at the Newcourt AGM and meet many of our prospective new parents. I have felt very welcome and am excited and privileged to be joining your thriving community.

During my career in teaching, I have worked in outstanding schools in London and Exeter for the past 18 years and have taught all of the year groups across the primary school range. My previous post was Headteacher at St Leonard's Primary School - a city school of 540 pupils and 100 staff that was judged outstanding in its last Ofsted Inspection.

Being a father of two, I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is evident in all areas of our new school. My priority as Headteacher is to ensure that Trinity School becomes an outstanding place of learning from the day it opens.

I believe that a school is built not from bricks and mortar, but from the common values that bind us. Church of England schools like ours educate for the Christian, British, and indeed universal values of wisdom, hope and community.

In serving our community, we will be inclusive, welcoming and nurturing to all, and together we will build a vibrant school in which these values are the heartbeat of our school community – 'Learning through faith, we will dream, believe and achieve.'

I would like to thank you for your continued commitment and support towards Trinity School and I look forward to building our new school community together and invite you to join us on this exciting journey!

## QUIDS IN?

The new 12-sided £1 coin rolled out in March. The round version will not be accepted in shops **on or after 15 October 2017**. Then, if you still have any old £1 coins, you won't be able to spend them. So check your piggy banks now!

The new raised beds in the Community Centre back garden are for residents to use for growing **vegetables, fruit, flowers...** If you are interested in using a small plot, email [judy.cretney@talktalk.net](mailto:judy.cretney@talktalk.net)
